

Putting Chicago To Work

Published By The Kindness Campaign

The Kindness Campaign dismantles systemic, structural racism to achieve health equity, workforce equity, education equity and public equity. We envision a strong, thriving community without institutional barriers that stands in the way of equitable participation.

Workforce Equity is our commitment to a labor market in which bias income gaps are eliminated, all jobs are good careers and everyone who wants to work has access to self-supporting and family supporting employment.

Health Equity is our commitment to reduce and eliminate disparities in health and in its determinants, including social determinants.

Education Equity is our commitment to practices, policies and procedures at the school and district level to achieves academic fairness, inclusion and matriculation for every student. This provides students the resources, teachers, interventions and supports they need to be successful.

Public Equity our commitment to fairness and justice in the formulation of public policy, distribution of public services, implementation of public policy and management of all institutions serving the public directly or by contract.

THE CHICAGO CUBS FRANCHISE The Chicago Cubs franchise, a charter member of Major League Baseball's National League since 1876, has won the National League pennant 17 times and was the first team to win back-to-back World Series titles in the 1907 and 1908 seasons. In 2016, the Chicago Cubs made history again when the team won its first World Series in 108 years, ending the longest championship drought in North American sports. Known for its ivy-covered outfield walls, hand-operated scoreboard and famous Marquee, iconic Wrigley Field has been the home of the Chicago Cubs since 1916 and is the second oldest ballpark in Major League Baseball. In 2009, the Ricketts family assumed ownership of the Chicago Cubs and established three main goals for the organization: Win the World Series, Preserve and Improve Wrigley Field, and Be a Good Neighbor.
